service helping
your team

Why You Need More Than Just Internet

1 Trusted Total Solution

Offers a complete off-campus connectivity package for at home or on the bus.

2 Focused Learning

Creates a distraction-free learning environment for students with CIPA-compliant and educational filters.

3 Increased Success

Ensures equity for all and helps students reach their full potential.

4 Expansive Network

Provides coverage on several of the nation's leading 4G LTE networks.

5 Client First

Works as an extension of your team to provide personable customer service.
